CECA NORTH WEST ANNUAL DINNER & AWARDS EVENT

FRIDAY 11 OCTOBER 2024

INTRODUCTION

The **Civil Engineering Contractors Association (CECA)** is the representative body for companies which work day-to-day to deliver, upgrade, and maintain the country's infrastructure. With more than 300 members based in Scotland, Wales, and the six English regions, CECA represents firms who, together, carry out an estimated 70-80 per cent of all civil engineering activity in the UK, in the key sectors of transport, energy, communications, waste and water.

The **CECA North West Annual Awards Dinner** will be held at the prestigious **Manchester Midland Hotel** on **Friday 11 October 2024**. It is the region's flagship event which brings together over 300 guests to celebrate the industry and the people who contribute so much to its success. Awards are presented in eight categories:

- Project of the Year 2024 (up to £1 million)
- Project of the Year 2024 (£1 million to £5 million)
- Project of the Year 2024 (over £5 million)
- Social Value Award
- Environmental Excellence Award
- Collaborative Partnership Award
- Young Professional of the Year
- Lifetime Achievement Award.

We are offering organisations an opportunity to engage with CECA members, their clients and industry leaders and to promote their own businesses by investing in a sponsorship package to support the event. **Please note bespoke sponsorship packages are also available.**
