# Attracting, Recruiting, Retraining the Right Talent

## Background

- City College Plymouth - The Learning Destination of Choice
- A collaborative partnership between academia and industry
- Champion and promote the sector, locally, regionally and internationally
- Increase investment in skills and promote careers in civil engineering

# Attracting, Recruiting, Retraining the Right Talent

## Civil Engineering Skills

1

### Attracting

Attracting future employees to the sector  
Reviewing vacancies and how we help fill them

2

### Recruiting

Recruiting future employees through upskilling and retraining i.e. Bootcamps and short courses

3

### Retraining

Ensuring the current workforce is up to date through professional development and short courses
