

Generation Five

Civil Engineering, Highways and
Transportation Collaborative Framework

2024 – 2028

Gen 5 Forum

Wednesday 29th May 2024 Wellington Room

Gen5@hants.gov.uk

www.gen5framework.co.uk

Welcome aboard

Do familiarise yourselves with the new contract. It's not the same as Gen 3 or Gen 4.

Do talk to me especially if you have any live Gen 5 project or you don't know me.

Who is here today?

Gen5 -2

Gen5-2

Works with a value up to £5m

East

West

Gen5-3

Gen5-3

Works with a value between £4m – 25m

Gen5 – A few months in

How is it going for you?

*Any
thoughts,
questions
or
concerns?*

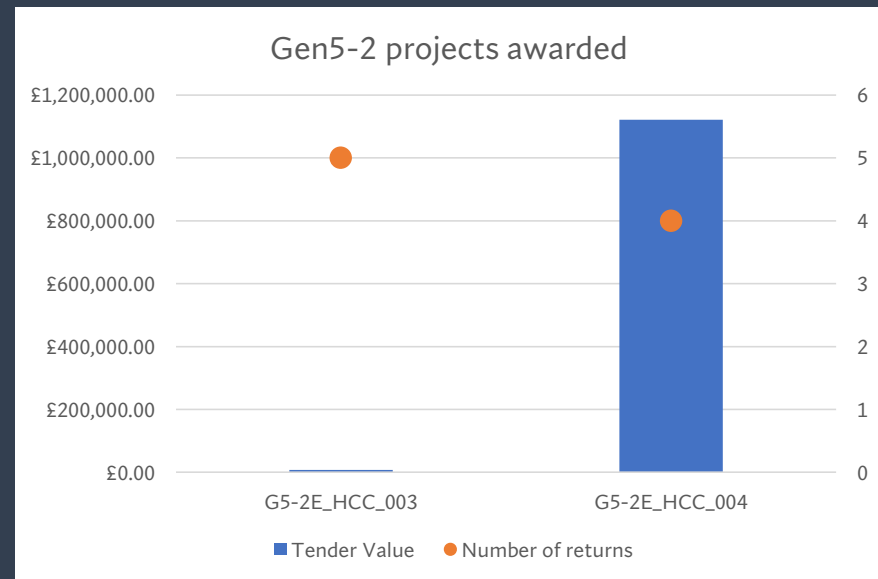

Recap of how call-offs work

Conditions

	Gen5-1 (Lot 1)	Gen5-2 (Lot 2)	Gen5-3 (Lot 3)	Gen5-4 (Lot 4)
Direct Award	 <p>Proposed for works up to £100k (Cascade system)</p>	 <p>Proposed for works up to £2m (Rotation system)</p>	Not available	Not available
Mini Competition (Traditional)	Works over £100k or where required by the <i>Client</i>	Works over £2m or where required by the <i>Client</i>	All Call-offs	All Call-offs

The use of Direct Award is **optional** – you can still follow the same mini-competition process as before. How you procure work should form part of the wider delivery strategy – contact us if you need advice!
